Subject: RE: LPC Technology Committee Meeting Today

Can you convey a huge public thank you to Steve G and his team for the new smaller HP laptops for Geology/Oceanography? They are fabulous...quick boot, long battery life, and easy for students to use in lab. Cheers, Carol

Subject: LPC Technology Committee Meeting Today

Good Morning,
The Las Positas Technology Committee will be meeting today, March 6th at 1:00 in 1687. The college community is welcome to attend, draft agenda attached.

See you this afternoon.
