Meeting Minutes

LPC Mission Statement

Las Positas College is an inclusive, learning-centered, equity-focused environment that offers educational opportunities and support for completion of students' transfer, degree, and career-technical goals while promoting lifelong learning.

LPC Planning Priorities

- ❖ Implement the integration of all ACCJC standards throughout campus structure and processes.
- ❖ Establish a knowledge base and an appreciation for equity; create a sense of urgency about moving toward equity; institutionalize equity in decision-making, assessment, and accountability; and build capacity to resolve inequities.
- ❖ Increase student success and completion through change in college practices and processes: coordinating needed academic support, removing barriers, and supporting focused professional development across the campus.
- ❖ Coordinate resources and provide professional development for effective online instruction and remote delivery of student support services and college processes to advance equitable student outcomes.

1. Call to Order

2. Welcome and Introductions

3. Review and Approval of Agenda – 5/10/2022

4. Review and Approval of Minutes - 12/1/2021

- No quorum; we will approve in Fall 2022

5. Industry Updates (Training/Hiring/Internships)

- No industry partners present to discuss training, hiring, or internships. We will revisit in the next Advisory Board meeting in Fall 2022.
- Tyler Coen, Black Diamond is looking for horticulturists which would be a paid internship.

6. College Update

- **Earth Day Activities**
 - We had a booth set up for Earth Day, we were moved to an alternate location than what we originally planned for so the event was not well attended.
 - We had our annual plant sale, which was very successful. This was the second highest amount we've ever made. We intend to use the money for things that FF&E doesn't cover like our fruit trees.
- **Summer Classes**
 - *Landscape and Turf Management (HORT 57)*
 - So far there are 5 students enrolled in the class for this summer 2022.
- **Fall Classes**
 - Introduction to Horticulture (HORT 50)
 - Fall Plant Material ID (HORT 51)
 - Landscape Construction (HORT 58)
- Recruit additional Advisory Board Members
- Horticulture Facility to be completed during Summer, 2022
