1.

Call to Order

The meeting was called to order at 3:00 PM by Karin Spirn.

2.

SLOs in Program Review

John Ruys shared proposed SLO questions for the next PR update.

3.

Survey Results

Do we need the data packets for updates? Ask Rajinder.

I will look at who spent how many hours on PR--were the higher hours admins?

Educate deans and faculty about rights--PR is their document. Deans can't make you change it.

Does this fall under faculty academic freedom?

Make sure NA questions for non-instructional are marked.

Add sections to summaries: outside influences (state law, industry demand)

Could have allocation committees report more on the processes.

4.

Institutional Planning and Budgeting

We would like to combine with IPC AND have the allocation committees combined with the IIPC.

Don't want to make any new committees without clear charge.

Karin will talk to Melissa, Rajinder, others to see what a process would be.

5.

The meeting was adjourned at 4:30 PM
