NoodleBib Tip Sheet

CQ Researcher, Ethnic NewsWatch, GenderWatch

This guide is designed to help you accurately cite sources obtained through CQ Researcher, Ethnic NewsWatch, and GenderWatch. Most of the articles in these databases are reproduced electronically from magazines, journals, and newspapers originally published in print, which means that both the print copy and the online version of a source must be included in your citation. The steps below will lead you to the screen where you will enter bibliographic information about your source. If you need more help, contact any of our Reference Librarians. We are always happy to help you!

Note: Be sure to use the **MLA Advanced** option when you create a new list.
