

Mathematics Support Designed for YOU

Achieve your goals efficiently and successfully with
NEW pathways and support options at LPC!

Beginning Fall 2019, students are encouraged to enroll directly into a transfer-level course.

Students should consider their academic goal, past achievements, and experiences.

Students are also strongly encouraged to take advantage of the many resources available to support them at LPC.

At Las Positas, we are dedicated to providing you with the best academic opportunities so you can achieve your learning goals. Learning Math takes time and dedication. In college, you are expected to spend 10 to 15 hours each week studying, doing homework, and reviewing outside of class in order to be successful!

We want to make sure your precious time is *streamlined* and *productive*.

Starting Fall 2019, Las Positas College will be offering support courses that can be taken tuition-free or for credit, depending on your personal needs.

Enroll in your Math class with confidence!
