Dear Las Positas Family:

Welcome to the 2014-2015 school year! The summer break is ending and school will begin soon. Everyone from the Chabot-Las Positas Community College District will be coming together on Thursday, August 14th at 9:00 AM in the LPC Gym and later in meeting rooms across the campus. This is one of the rare opportunities for the whole District to meet, sharing and learning from each other about important educational, governance, political, and fiscal issues.

Following the morning District meetings, the Las Positas College family will be meeting in a variety of forums to help provide a focus on the major goals that were established for 2014-2015 - Equity, Excellence, and Completion. We will begin on Thursday afternoon at 1:00 PM with a "state-of-the-college" presentation. This will be followed by a full day of large and small group work on Friday, August 15th. On Friday we will also present the annual Service, Senates' and Milanese awards at a hosted lunch in the cafeteria.

On page 2 is a detailed schedule of the activities.

As we move into the 2014-2015 year, I want to also remind everyone of the four priorities that were given to the campus through the shared governance process this past year...most notably the new Planning and Budget Cycle that was completed for the first time. Those priorities are:

1. Support for the Curriculum Process
2. Technology Utilization with an Emphasis on Staff Development
3. Success and Persistence through the Basic Skills Sequence
4. Accreditation

You will be hearing more about these priorities in Town Meetings and committee meetings all year as we proceed through the Planning and Budget Cycle for the second year.

Personally, I am very excited about beginning my first full year as president of Las Positas College. The potential for this institution is great and the quality of leadership among the faculty, staff, and administrators is outstanding. Your involvement and support is an important ingredient in this success...and this will begin on Thursday, August 14th.

Sincerely,

Barry A. Russell, Ph.D.
President
