

### LPC Mission Statement

Las Positas College is an inclusive learning-centered institution providing educational opportunities and support for completion of students' transfer, degree, basic skills, career-technical, and retraining goals.

### LPC Planning Priorities

- ❖ Establish regular and ongoing processes to implement best practices to meet ACCJC standards.
- ❖ Provide necessary institutional support for curriculum development and maintenance.
- ❖ Develop processes to facilitate ongoing meaningful assessment of SLOs and integrate assessment of SLOs into college processes.
- ❖ Expand tutoring services to meet demand and support student success in Basic Skills, CTE, and Transfer courses.

#### 5. CLSO Review:

- a. Old Business:
  - i. EMS 10: Paramedic Theory 1
    - **CSLO-** Upon successful completion of EMS 10, the student will be able to assess and discuss respiratory emergencies to successfully pass the FSDAP Airway Module Exam.
      - **CSLO Approved**
  - ii. EMS 12: Paramedic Laboratory 1
    - **CSLOs-** Upon successful completion of EMS 12, the student will be able to use a variety of skills from their completed portfolio to assess a patient and carry out appropriate treatment.
      - **CSLOs Approved**

#### 6. PSLO Review:

- a. New Business:
  - i. Art: Painting AA
    - **PSLOs-** 1.) Upon completion of the AA in Art: Painting, the student should be able to demonstrate technical proficiency in use of art media, tools, processes and technology. 2.) Upon completion of the AA in Art: Painting, the student should be able to demonstrate the ability to understand and employ elements and principles of visual design for the communication and expression of ideas. 3.) Upon completion of the AA in Art: Painting, the student should be able to demonstrate creative thinking through the production of original artworks. 4.) Upon completion of the AA in Art: Painting, the student should be able to create works of art that synthesize quality technical execution with content and concept.
      - **4<sup>th</sup> PSLO Approved-** The first three PSLOs were returned for wording changes (adding the word "the" between "in" and "use" was request for the first PSLO and changing "demonstrate" to "apply" was suggested for the third PSLO)
  - ii. Liberal Arts & Sciences: Arts and Humanities AA
    - **PSLOs-** 1.) Upon completion of this degree, a student will be able to critically analyze important texts and ideas within the global intellectual tradition. 2.) Upon completion of this degree, a student will be able to apply art theory to specific works of art.
      - **PSLOs Not Approved-** Specific degree name must be included in PSLO.
  - ii. Liberal Arts & Sciences: Business AA
    - **PSLOs-** 1.) Upon completion of the AA in Liberal Arts & Sciences: Business, the student should be able to identify and describe types of business organizations and operations, as well as the effects of legal environments, when making a selection. 2.) Upon completion of the AA in Liberal Arts & Sciences: Business, the student should be able to describe the significance of marketing functions including Price, Product, Place and Promotion in a product life cycle. 3.) Upon completion of the AA in Liberal Arts & Sciences:

- **PSLOs-** 1.) Upon successful completion of the A.S. in Enology, the student will be able to perform wine analysis methods including laboratory/quality control tests during harvest, fermentations, cellaring, and prior to bottling 2.) Upon successful completion of the A.S. in Enology, the student will be able to perform all aspects of winery sanitation from the press-pad to the winery and all equipment that is utilized during the wine-making process 3.) Upon successful completion of the A.S. in Enology, the student will be able to apply general chemistry principles, wine microbiology fundamentals, and laboratory techniques to produce sound wines 4.) Upon successful completion of the A.S. in Enology, the student will be able to safely start-up, operate, and shut-down winery equipment; and effectively utilize the equipment during the wine-making process 5.) Upon successful completion of the A.S. in Enology, the student will be able to perform an accurate sensory assessment of wines using acquired organoleptic skills 6.) Upon successful completion of the A.S. in Enology, the student will be able to perform all seasonal winery practices required in a working winery

- **PSLOs Not Approved-** Periods needed for every PSLO, as well as a clarification of “including lab” in first PSLO.

- ii. Visual Communications AA, Visual Communications Certificate of Achievement, Viticulture AS, and Viticulture Certificate of Achievement- Requested corrections made by faculty member and approved in eLumen.

**7. Administrative Update:**

- 8. SLO Liaison Report:** Angelo Bummer expressed concern that the SLOs he worked with a faculty member to create in May have not yet been entered into eLumen by the business discipline coordinator. It was suggested that Angelo Bummer reach out to the business discipline coordinator and ask if they would like to share their coordinator duties with another faculty member. Ann Hight thanked the SLO Liaisons for all of their hard work.

**9. Adjournment** at 3:44pm

- 10. Next Regular Meeting** (Monday, December 11th, 2017)
