B. Open Gym Discussion/Possible Action Tatiana Hernandez (10 min)

This item is to discuss and possibly approve items related to getting an open gym.

The school was worried that students wouldn't take classes if the gym were open. But student surveys demonstrated that students are fully interested in pursuing an open gym. Senators highlighted that an open gym actually promotes classes and spreads awareness to certain fitness classes such as fencing.

Ingold states majority said on the survey, they would be willing to take a class in order for the gym to be free afterwards. Also majority did not mind having a student fee to keep the gym open to all. Ingold clarified that open "gym" referred to also the swimming pools, field, and weight machines.

Also clarified "open" means to open to all students who **attend** Las Positas with an ID card to verify confirmation rather than the general public.

Committee formed to pursue this matter further- emails will be sent!
