- As an ASLPC function, Mario and other students attended a student government meeting in Washington, DC. As part of that meeting, ASLPC Representatives (Senators and Officers) lobbied government representatives, such as Feinstein, Garamendi, McNerney, Boxer, and their aides on bills including the nationalized healthcare bill, which “positively” affected students because it increased Pell Grants available to state government schools.
- All clubs should note that **Matching Funds are due on April 30th**
- Thank you to all those who made this year’s Talent Show such a great success. It would be great to have a time to recap and brainstorm on ideas to improve the Talent Show for the future.

B. ICC Secretary

- As of right now the club accounts balances are available in the Business Office for all months up to February 2010

D. AS President

- As the President of the ASLP, Masi attended the Board of Trustees meeting and the Chancellors Council. At those meetings, Masi found it important to note that the District is in a significant amount of debt given the current economic situation affecting many districts.
- The March in March rally in Sacramento was a huge success and many students from LPC were heard as part of this protest. There was one full bus of students that attended; however twice as many students signed up to participate, which left one bus empty. At the March in March there was a video footage Masi recorded that should be available online. Thank you to all those who participated
- ASLPC would like to host a Mr. Las Positas competition
- Meetings for candidates for the Student Government elections are scheduled to be held April 14th. As active club members, it is advisable for club representatives to consider running for the position of ICC Chair.

- Please remember to make students feel welcome as a part of your club, knowing that all clubs are open to “all interested parties.”
