July 1, 2011

**Dear Club Members and Advisors:**

**Welcome to an exciting year. We are looking forward to an eventful and successful year for the clubs.**

**The Student Club Procedures were prepared to help you understand and become familiar with College procedures and District policies. The procedures provide a lot of useful information, and it is important that you familiarize yourself with them. The Officers and Senators of the Student Senate are also available if you have any questions or need assistance. Please come by the Student Life Office at any time to check in, keep us updated, and/or to get feedback.**

**We wish you success at the College and thank you for your involvement in student life,**

**Sincerely,**

Cynthia Ross
