

Establishing a Student Life Web Sites

Clubs are responsible for setting up and financing their own web sites. It would be great to share the website with Student Services so that they can help promote it.

How do we get started?

Thanks to Mr. Greg Johns of the LPC Computer Center, here is some helpful information:

Here are some starting points to do some research. Look for the strings attached in time/download/upload restrictions, future costs, compatibility with your editing program, extra costs to use their editing program, etc.
