IX. Old Business
A. Club Activation/ De-Activation
   Reactivation Requests:
   - Mr. Silva was present at the meetings asking for the Latino Student Union to be re activated. Since their activation they have been able to secure club members, an advisor and other necessary things to be an active club. It was stated that the vote for reactivation will take place on November 9th.
   - Farrah was also at the meeting making the case for the Muslim Student Association to be reactivated. It was stated that she had some personal things happen and thought that she had someone responsible to step in however, due to a lack of communication they never showed up. Due to special circumstances, it was stated the council could vote today on the reactivation
   - Philosophy club moved to reactivate the MSA
   - Psychology club seconded
   - motion passed unanimously

B. ICC Event
   Mr. Portugal reviewed the rules for the ICC dodge ball tournament. There were a couple of statements from the council that are listed below
   - need to revise the “no head shots rule” to ensure that people do not intentionally move their head in front of the ball
   - Need to have refs manage the games and subs
   - Number of players needs to be equal at the start of the game. Reword the number of players to say “no less than 6 and no more than 8. However, each team has to start with same number of players.”
   - Minimum games depends on how many clubs are interested in playing.

Possible dates for the event are November 16 or 30 depending. There was a consensus vote and there was an overwhelming consensus for the event to be on November 30 to ensure proper planning. Next, Mr. Portugal asked if people thought the pizza and water was good food for the event and the council stated
they felt it was perfect. The final thing discussed was whether or not the clubs wanted there to be costumes as a category. Unfortunately, the council decided against the idea of costumes.

C. ICC potluck
Mr. Portugal again announced that the potluck would take place during the last meeting on December 7th. He encouraged everyone to tell their members that way they can all be in attendance. To conclude, Mr. Portugal passed around a sign-up sheet for anyone interested in bringing some goodies with them.

X. New Business

A. Update Club Procedures
Mrs. Moore reviewed the tips for success for clubs. She stressed very much that success of club events are based on making sure the clubs know the proper channels to take when planning an event. Mrs. Moore reviewed a very helpful guide that can be found here: http://www.laspositascollege.edu/studentclubs/index.php to ensure all clubs are successful. Two final and important notes were made. First, never go directly to those in charge of facilities requests, web page or anyone else. All requests must go through either Cynthia or Sheri. The second note, request for matching funds is due November 8th.

B. Club day debrief
Ms. Ross began by apologizing on behalf of the student senate for not being prepared with the club day winners. Next, Ms. Mitchell asked how the clubs felt about the back to back club day.
- Philosophy felt that it would be better to have to separate club days. After taking a consensus vote, it was decided for the spring, there would be two individual club days.
- Clinton Global Initiative wished that there would have been a DJ present. On a final note, it was stated that under no circumstances should clubs be going into the library asking for supplies.

XI. Announcements
- Mr. Portugal asked that people let us know of their tardiness for attendance purposes.

XII. Adjournment
- HOTT moved to adjourn the meeting at 12:19 PM
- Engineering seconded
- Motion passed unanimously
