SPECIFIC INSTRUCTIONS

NOTE: These numbers match the Item numbers on the application.

ITEM 2A. Your VA FILE NUMBER is the number that appears on your VA benefit checks and all mail that we've sent you. Usually, this VA FILE NUMBER is the veteran's Social Security Number; however, this FILE NUMBER can be an eight digit number.

ITEM 2B. Your SUFFIX LETTER indicates your relationship to the veteran. The spouse or surviving spouse automatically gets the suffix of "W". Each child automatically gets a suffix with a different letter. (The first child that applies for VA education benefits automatically receives the "A" suffix. The second child that applies automatically receives the "B" suffix, and so forth.)

ITEM 4B. Show your Social Security Number. (VA cannot process your application without this information.)

ITEMS 9A & 9B. Current law allows surviving spouses who either remarry after their 57th birthday or marry on or after January 1, 2004 to retain their chapter 35 eligibility. If you have remarried since the death of the veteran and give the date of your remarriage, VA will determine whether or not you remain eligible for chapter 35 benefits.

ITEM 10. If you have decided on your educational, professional or vocational goal, list your final objective (for example, Masters Degree, Certified Public Accountant, Computer Technician).

ITEM 12. Self explanatory, except for the following item: Check the "I seek reimbursement for a licensing or certification test" block if you want to apply for reimbursement for a licensing or certification test.

(A **licensing test** is a test offered by a State, local, or federal agency which is required by law to practice an occupation.

A **certification test** is a test designed to provide an affirmation of an individual's qualification in a specific occupation.)

ITEM 13A. If you have selected your school or training establishment, state the complete name and mailing address of this facility.

ITEM 15. Use this space to provide information which does not fit elsewhere on this form or which you think will help VA process your claim. Refer to other item numbers on this form to help us match your answers to the correct question. You can use the reverse or attach additional sheets if necessary.

An example of a routine use allows VA to send educational forms or letters with a veteran's identifying information to the veteran's school or training establishment to (1) assist the veteran in the completion of claims forms or (2) for VA to obtain further information as may be necessary from the school for VA to properly process the veteran's education claim or to monitor his or her progress during training.
