Are you having difficulty obtaining veterans benefits for yourself or a loved one? Too often, the brave men and women who serve in our nation's armed forces return home either unaware of the many services and benefits available to them as veterans, or they find it difficult to navigate the application process.

On April 24th, from 11:00 a.m. to 1:00 p.m., I will host a Veterans Assistance Workshop at Tracy City Hall. I encourage you to stop by at any time during the Workshop to meet one-on-one with service providers who will offer assistance and guidance with Department of Veterans Affairs claims and obtaining or replacing service medals. The Workshop will also provide information about educational opportunities and military to civilian employment transition assistance available to veterans.

Please RSVP so we can ensure there are enough service providers on hand to offer assistance. To RSVP, or to ask any other questions you may have, please contact my Stockton office at (209) 476-8552, or via email at McNerney.RSVP@mail.house.gov.

I look forward to seeing you on April 24th at the Workshop in Tracy.
