

# OPERATION GATEWAY

A VETERAN'S TRANSITION TO SUCCESS

Las Positas College is proud to announce a new summer transition program,

## ***Operation Gateway: A Veteran's Transition to Success.***

*Veterans who participate in all four days of Operation Gateway and are enrolled in 9 or more units in the Fall 2009 semester at Las Positas College will receive a book stipend of \$500 for the fall semester.*

The four-day program is designed as an orientation and workshop for returning veterans who wish to further their education at the College. Each day will feature a wide range of topics including career planning, classroom expectations, readjustment services and Post-9/11 benefits.

Operation Gateway is also a great opportunity for veterans to experience firsthand the community and camaraderie that they will foster and develop throughout their experience at Las Positas College.
