A course with a prerequisite requires students to complete the prerequisite with a C or better before they are allowed to register for that course. For example, before students can enroll in English 4 or 7, they must pass English 1A with a grade of C or better. English 1A is the prerequisite for English 4 or 7.

To view courses with prerequisites, please refer to the course descriptions available in the Las Positas College (LPC) General Catalog or at www.laspositascollege.edu.

Please note that the Las Positas College registration system, Class-Web or the Zone, ONLY recognizes prerequisites completed at LPC. If a student completed an equivalent course at another institution, the student MUST submit a copy of the transcript (unofficial is acceptable) and the Petition for Prerequisite Override to the Counseling Department, 1616, Building 1600. Courses taken at another institution must have the final grade posted on the transcript. Courses currently in progress will not meet the prerequisite requirement. A counselor must review and approve the prerequisite override petition before a student will be able to register for the class.

**STEPS TO REQUEST PREREQUISITE OVERRIDE:**

**In Person:**
Bring the following documents to the Counseling Department, 1616, Building 1600:
1. Completed Petition for Prerequisite Override and
2. One of the following:
   - An unofficial copy of the college transcript, AP score report from the College Board, or course placement results from an assessment taken at another college that clearly shows course placement.
3. If applicable:
   - If the prerequisite course is from a private or out-of-state institution, the student must also provide a course description of the course.
4. Inform the front desk staff in the Counseling Office that you have a petition for a prerequisite override.

**By FAX:**
1. Same as above but FAX all documents to (925) 424-1402 with a header: Attn: Counseling Department

**Approval Process:** A counselor will review all documentation and verify the prerequisite course equivalency. If the request is approved, the student should be cleared to register no later than two working days (excluding Friday through Sunday) after receipt of all documentation, provided the student’s registration period has started and there are seats available in the class. The front desk staff will notify the student whether or not the petition was approved.
