Subject: **Faculty Hiring for 2022-23**

I've received and reviewed the Faculty Hiring Prioritization Committee's (FHPC) recommendation for faculty hiring priorities. I'd like to thank the committee members for their time in ranking the faculty position requests and for forwarding the recommendations for hiring of faculty for the 2022-23 academic year.

After reviewing the recommendations and considerations relevant to the rankings, I've approved 6 positions to move forward for hiring for the 2022-23 academic year. Budget dollars have been identified to support these on-going faculty positions. The rationale to support the allocation of resources for these positions are based on the following considerations:

- Supports the College's mission and institutional planning priorities
- Impact on students
- Program/department need
- Contributes to and/or supports student learning and success

Actions:

I have approved the following positions to move forward for hiring for the 2022-23 academic year:
