

Assessment

Welcome Message by Dean of Student Services

Welcome to Assessment!

Due to the impact of COVID-19, Las Positas College has moved all assessment services online. Assessments help ensure a student's proper placement in a variety of subjects including Chemistry, English, English as a Second Language, French, Mathematics, and Spanish.

Students may utilize the Guided Self-Placement tool for placement into Chemistry, English, English as a Second Language, French, Mathematics, and Spanish or take the Multiple Measures placement option for Chemistry 1A and Math 1.

Students are encouraged to review the Assessment webpage, consult the college catalog, or meet with a counselor to learn of their placement options, and their rights to access transfer level coursework.

I wish you the very best in your educational journey at Las Positas College.

Sincerely,

Elizabeth David

Dean of Student Services
