Tutoring Center Overview

We believe every student deserves to be successful. At the Tutoring Center we provide free online academic support for a wide variety of subjects. Whether you're doing your homework or studying for an exam, we are here to support you. Online tutoring is first-come first-served.

How does it work?

1. Sign up for NTUT 200 (CRN 23075) on CLASSWeb (<https://bw11.clpccd.cc.ca.us/>) to gain access to in-depth information for all academic support options at Las Positas. You can register for NTUT 200 anytime. NTUT 200 is non-credit, free, ungraded, and doesn't even show up on your official transcript. It is how we connect you to free support.
2. Review the material in the NTUT 200 Canvas course (<https://clpccd.instructure.com/login/canvas>), including the drop-in tutoring times for the following subjects. Tutor schedules will be updated the week of August 31, 2020. Please check schedules each week as they are subject to change.
