7. Discussion Items

- **AA/AS GE: American Cultures Requirement Effective Fall 2021**

Craig Kutil

While initially it looked as though we could adopt Chabot's new ethnic studies requirement, which will replace their American Cultures requirement in the Fall, upon review this will require more thought. For many years, our American Cultures requirements were actually different. We will need to look at the new CSU Ethnic Studies requirements and our American Cultures requirement in the Spring to draft our own new Ethnic Studies GE requirement. We will then need to revisit all the courses approved for American Cultures to see if they will meet the new requirements. Need to look at all new Ethnic Studies requirements and modify for ourselves.

8. Report

- **Vice President's Report**

Kristina Whalen

None

- **Chair's Report**

Elizabeth Owens

Elizabeth Owens stated that due to automotive courses/programs not being submitted in a timely manner, we will need to add an extra meeting during finals week (as will the Academic Senate). This will be a short voting-only meeting on December 17th. She will send out a Doodle poll to find a time that works best for the most Curriculum Committee members' schedules.

- **Articulation Officer's Report**

Craig Kutil

Craig Kutil stated that the new CSU General Education Breadth Requirements were posted Thursday ([Executive Order 1100 revision](#)), and for Area D the "2 different disciplines" rule is for all 9 semester units (3 units are upper division).
