

Security Master Plan Update

Dr. Dyrell Foster, President

Security Master Plan Update

Architectural Barriers: Renovate Counseling, F/A, A&R, and Information Desk in SSA Building. **Status:** Design/construction began in August with User Groups.

Safe Lock Project: Update and rekey all interior/exterior locks. **Status:** Substantial completion; M&O continues to work with individual Division needs.

Emergency Call Station (ECS) Project: Provide new/upgrades to ECS on campus. **Status:** Approval of bid award expected at October BOT meeting.

Campus Security Exterior Lighting: Replacing existing light poles and install ones with brighter LED fixtures. **Status:** Project is 100% complete.
