

2021-22 Return to Campus Plan

The college will take necessary precautions and will follow all orders in place by state and county public health departments. The college will also follow the COVID-19 Safe Practices: Return to Campus guidelines and safety plan established by CLPCCD facilities, in partnership with an environmental health & safety consulting company. The safety plan includes global, area and task-specific Safe Work Practices.

The college planning process recognizes that the temporary Telecommuting Agreement between SEIU Local 1021 and the Chabot-Las Positas Community College District remains in place until further negotiations occur to further inform conditions to return to campus. This planning process will also be further informed by the ongoing negotiations between the Faculty Association and the District.

Implementation of this plan is informed by the understanding that the 2021 summer and fall terms are a transition period. Supervisors will work with individual employees on an as needed basis during the transition. This plan was developed based on the status of the pandemic in our local community, using California's Blueprint for a Safer Economy COVID-19 color tiers and county risk levels. The Governor has since outlined plans to move beyond the Blueprint to fully open the state economy on June 15, 2021.

As of June 30, 2021:

- 80.8% of all eligible Alameda County residents over age 12 have received at least one dose, and 68.0% are fully vaccinated
- 82.4% of female Alameda County residents over age 12 have received at least one dose, and 69.4% are fully vaccinated
- 79.0% of all male Alameda County residents over age 12 have received at least one dose, and 66.3% are fully vaccinated
- 83.4% of all Asian Alameda County residents over age 12 have received at least one dose, and 72.2% are fully vaccinated
- 71.8% of all White Alameda County residents over age 12 have received at least one dose, and 62.9% are fully vaccinated
- 60.2% of all Hispanic/Latino Alameda County residents over age 12 have received at least one dose, and 49.4% are fully vaccinated
- 56.9% of all African American/Black Alameda County residents over age 12 have received at least one dose, and 47.4% are fully vaccinated

This information is current as of June 30, 2021, as guidance from the state/county changes, there may be implications that could modify these plans.

Fall 2020 and Spring 2021 (Phase I)

College administrators are on a rotating shift to provide on-site campus support.

M&O

Business Days and Hours: 24 hours per day / 7 days per week
