## What is the LPCSG?

As the Las Positas College Student Government (LPCSG), we represent student interests on local, state, and national levels by lobbying legislators, attending conferences, and being members of campus governance committees. We also organize and host campus events, fund student clubs, and host "The Market" offering free food/groceries every month. The LPCSG consists of elected or appointed officers and senators who submit an application packet and meet eligibility requirements. The LPCSG is funded by the Student Activity Fee and the Student Representation Fee. For more information, stop by the LPCSG Office located in Room 1643 of the Student Services and Administration Building.

### Mission Statement

The Las Positas College Student Government's (LPCSG) mission is to support Las Positas College in making the campus a safe, positive, and equitable space for all students. We are a nonpartisan organization that is passionate about facilitating and improving student life on our campus, advocating for our students at the local, state, and national level by making students' critical issues known, and relentlessly fighting to represent our diverse student population. The Student Government aims to enrich the students academically, socially, and culturally. We strive to be as transparent as possible and encourage student involvement in our affairs.

### Vision Statement

The Las Positas College Student Government is committed to removing barriers to access and providing an atmosphere for better learning and personal growth. We are dedicated to representing student interests on local, state, and national levels by lobbying legislators, attending conferences, and serving on campus governance committees.

### Preamble

The Las Positas College Student Government, a union of students formed to represent the interest of the student body, seeks to provide means for student representation by maintaining well-established lines of communication throughout the many areas of the community college environment. We hereby establish this Constitution under the authority of the Board of Trustees of the Chabot-Las Positas Community College District.
