Hi Loanne,

I would like to introduce you to Frances DeNisco, who is in charge of the FCI application processing in the A&R office. Attached Frances has included a spreadsheet of the students, with the W#s, with the request for more information in order to complete the students applications.

Also attached are .pdfs of all of the pages of the applications that need to be completed by the students.

If you have any questions please communicate with Frances and cc Azadeh( my Sr. Administrative Assistant) and I so we are kept in the loop. I will be on vacation February 4-17 and unavailable by phone or email. Frances will be able to answer any follow up questions you have regarding completing the applications.

When you are ready to send the registration information you can do so by spreadsheet using the W#, Student Name, CRN of the course. If you can make a separate sheet for each course that would be helpful.

Thank you,

Tamica S. Ward, MBA
