

UNDOCUALLY REORT – TeriAnn Bengiveno

1. UndocuAlly will be tabling in the quad to share information about the Dream Center's services and the taskforce's goals. We will also be distributing "know your rights" cards and "I'm not afraid" signs. Stop by on the following dates to pick up a new sign for your office and to show your support to our Dreamers: April 11, 12, 18, 19, 25, 26 and May 2, 3, 9, 10.
2. UndocuAlly is in the process of drafting syllabus language for faculty to share with students who may benefit from counsel from the Dream Center regarding immigration status and the registration process. If you have any suggestions, please share them with Miguel Pimentel, Dream Center Coordinator, or members of the taskforce.
