

Curriculum Committee Approvals: October 6th

Course Deactivations

Effective Term: **Fall 2026**

- NAUT CINTR: Concepts of Automotive Service and Introduction
- PCN 3 Theories and Concepts of Counseling: An Introduction
- PCN 15 College Study Skills

Program Modifications

Program Narrative/Guided Map - Effective Term: **Fall 2026**

- Actors Conservatory, CA
- Biology, AA
- Biology, AS-T
- Biology UC Pathway, AS
- Biology UC Pathway, CA
- Cal-GETC, CA
- Computational Biology, AA

Program Deactivations

Effective Term: **Fall 2026**

- Automotive Advanced Smog Technician, NCL
- Automotive Basic, NCL
- Automotive Chassis, NCL
- Automotive Mechanical, NCL
- Automotive Smog, NCL
- Automotive Smog Technician, AS
- Automotive Smog Technician, CA
- Concepts of Automotive Body Systems, NCL
- Concepts of Automotive Chassis, NCL
- Concepts of Automotive Know How, NCL
- Concepts of Automotive Mechanical, NCL
- Concepts of Automotive Powertrain, NCL

Curriculum Committee Approvals: October 6th

Course Deactivations

Effective Term: **Fall 2026**

- NAUT CINTR: Concepts of Automotive Service and Introduction
Justification: This course is the same as NAUT INT and not needed.
- PCN 3 Theories and Concepts of Counseling: An Introduction
Justification: Course not part of the Social Work and Human Service degree program. No opportunity to offer the course over the past few years or anytime in the foreseeable future.
- PCN 15 College Study Skills
Justification: Other College Success Courses (i.e PCN 30 & PCN 20) have taken the place of this course on the discipline plan. These new courses offer similar support to students and are UC transferable, which has been a necessary component for enrollment sustainability.

Program Deactivations

Effective Term: **Fall 2026**

- Automotive Advanced Smog Technician, NCL
Rationale: Multiple noncredit certificates are unnecessary. Automotive Master and Automotive Master Concepts will replace all current noncredit certificates.
- Automotive Basic, NCL
Rationale: Multiple noncredit certificates are unnecessary. Automotive Master and Automotive Master Concepts will replace all current noncredit certificates.
- Automotive Chassis, NCL
Rationale: Multiple noncredit certificates are unnecessary. Automotive Master and Automotive Master Concepts will replace all current noncredit certificates.

- Automotive Mechanical, NCL
Rationale: Multiple noncredit certificates are unnecessary. Automotive Master and Automotive Master Concepts will replace all current noncredit certificates.
- Automotive Smog, NCL
Rationale: Multiple noncredit certificates are unnecessary. Automotive Master and Automotive Master Concepts will replace all current noncredit certificates.
- Automotive Smog Technician, AS
Rationale: Multiple noncredit certificates are unnecessary. Automotive Master and Automotive Master Concepts will replace all current noncredit certificates.
- Automotive Smog Technician, CA
Rationale: Multiple noncredit certificates are unnecessary. Automotive Master and Automotive Master Concepts will replace all current noncredit certificates.
- Concepts of Automotive Body Systems, NCL
Rationale: Multiple noncredit certificates are unnecessary. Automotive Master and Automotive Master Concepts will replace all current noncredit certificates.
- Concepts of Automotive Chassis, NCL
Rationale: Multiple noncredit certificates are unnecessary. Automotive Master and Automotive Master Concepts will replace all current noncredit certificates.
- Concepts of Automotive Know How, NCL
Rationale: Multiple noncredit certificates are unnecessary. Automotive Master and Automotive Master Concepts will replace all current noncredit certificates.
- Concepts of Automotive Mechanical, NCL
Rationale: Multiple noncredit certificates are unnecessary. Automotive Master and Automotive Master Concepts will replace all current noncredit certificates.
- Concepts of Automotive Powertrain, NCL
Rationale: Multiple noncredit certificates are unnecessary. Automotive Master and Automotive Master Concepts will replace all current noncredit certificates.
