7. Vice President's Report: None

(Position currently vacant)

8. Chair's Report: Ms. Hart

(Ms. Hart is not present).

9. Articulation Officer's Report: Ms. Marina Lira

Ms. Lira stated that there are currently not enough people to review for CID approval in the areas of Math, Studio Arts, and Theater Arts. So courses she uploaded will probably be sitting for a while. They are going through the five-year descriptor review on Psychology and Sociology. The ones that have already been through won't be affected so our Mass Communication that just went through will be okay. But they are also sending out notification for the June 2015 deadline for all of the current ADTs, to make sure that the courses are approved by CID. Sociology is one to be concerned about; a lot of the descriptors are expired. If the degrees have not been resubmitted, the latest Chancellor's Office memo says that they will send a notification that says that those degrees will be removed.
