

Career Exploration Platforms

Flex Day – Oct. 2020

Guided Pathways

–Career and Program Mapping Workgroup

LAS POSITAS

COLLEGE

Early Career Exploration

Early career exploration helps students find their purpose, focus, and direction. Saving them time, money and angst. Early exploration will positively impact the “undecided” student to *enter their pathway* sooner.

- Less “undecided” students
- More career interventions
- Less accumulated units
- More degrees, certificates, and transfer

Career Development Continuum

Career Exploration

(Undecided Students)

- Assessment
- Career Courses
- “Career Jam”
- Career Counseling

Outcomes

- Declared Major
- Educational Plan

Career Confirmation

(Somewhat Decided)

- Department symposiums
- Major course completion
- Informational Interviewing
- Job shadowing

Outcomes

- Retention
- Persistence

Career Preparation

(Fully Decided)

- Resume/ Interview skills
- Internships
- Job placement

Outcomes

- Degrees
- Transfer
- Jobs
- Regional living wage

Agenda / Instructions

Agenda:

- Career Exploration Platform Vendor Presentation:
 - VitaNavis (~20 min.)
 - Career Coach (~20 min.)
- Users include: Students, PCN faculty, Counselors, Career Center, CTE staff and anyone on campus. Discuss and hopefully come to consensus on recommendation of one or both.
- Review, discuss, and make recommendations.

Participant Instructions:

1. Take digital notes during presentations
2. Share notes (cut/paste) on [Jamboard](#) during discussion
3. Discuss
