1. Why do you wish to run for the LPCSG position you are applying for?

Earlier this fall semester I had the opportunity to fill in as a student trustee for a day. The experience was very enriching as I was able to learn the responsibilities of student trustee. I was very interested in learning about current issues that concerned both the board and students. I wanted to be part of a difference + advocate for the students.

2. Please list your current or past leadership experience.

Currently I am part of LPCSG as the Director of Events. In high school I was the first representative for my Junior class for Athletic Boosting club. I was the vice president of my high school's chess promotion club. I was the secretary for my high school's Model-A-Write club. I began and led a book club.

3. What makes you stand out compared to other candidates for the position you are applying for?

As stated previously, I am the Director of Events for LPCSG. I have first hand experience and insight on LPCSG. I communicate frequently with the President as well as the other officers as well as I maintain constant communication with the other presidents + other officers as well as the students. More than anything I am a very versatile person who is able to adapt to the changes + needs around me.

4. What aspects of student life would you seek to improve? How would you do so?

I would seek to improve solving problems and concerns students may have. I want to help improve student life, by advocating on behalf of the students. In addition I want to help LPCSG run smoothly and efficiently.
