What PSLO will you be assessing during this cycle and why? (If you decide to assess more than one PSLO, please indicate that here as well). We plan to look closely at the following PSLO during this cycle to assess an important outcome for our HUMN courses, one that is emphasized in different ways in a few of our courses. PSLO 1. Discuss important themes expressed in material culture and belief systems as seen throughout global history.	

Instructions:

1. In the Course column, list all of the courses that are part of the program you are assessing.
2. For each semester, indicate which CSLO(s) you plan to assess.
