- **Flex Day Workshops** **Ann Hight**

Ann Hight explained that she will be putting in a proposal for a Flex Day Workshop. We will hold a general session on creating a three year plan and then use breakout rooms for assistance with specific issues (ex. Mapping, pushing out assessments and elumen how-to) with a SLO committee member. The idea is to move away from data entry to big picture planning. Ann Hight stated that in rewriting the SLO Committee website, she has been looking at other colleges for best practices. In doing this, it has been decided to revamp the planning template to be a fillable PDF that starts with faculty looking at the overall question that they want to examine. The SLO Committee members volunteered to assist with the Flex Day Workshops, if no overlaps with other sessions.
