

## 9. PSLO Review

All

### AS in Civil/Mechanical Engineering:

- Upon completion of the AS in Civil/Mechanical Engineering, students are able to apply fundamental principles from mathematics, science, and engineering to solve a civil/mechanical engineering-related problem.

*- The Chair encountered an issue with her eLumen comments disappearing. Liz: Create a CSLO and put self as SLO Chair & add a comment; see if you can see it on your end as Data Steward.*

## 10. Good of the Order

Ann Hight, Liz McWhorter

- The last day to enter new SLOs into eLumen is Wednesday, May 4<sup>th</sup>.
  - Note: There are no Division meetings before May 4<sup>th</sup>.
  - Alternative: Send report to Dean's Admin Asst. so they can forward it to the Division.
- The next academic term ( 22-23) the end of the 3-year planning cycle.
- Can we plan assessments past 1 academic year?
  - *Liz will check with our eLumen representative.*
